Dear Sir:

At the request of the Medallic Art Company we are sending you an application for membership in this Society. We have both a library and a museum at the disposal of members, and the annual dues for associate membership are $5.00 in return for which the publications of the Society are mailed as they appear during the year. An application presented at this time will be acted upon at the next meeting of our Council, which will be in September.

Very truly yours,
